Testimonial

Outstanding service received from Jake and JH Mortgages at all stages of the process.

I first contacted Jake late at night and expected it to be a while before he replied. However, within minutes he replied to my message, scheduled a consultation the next day to fit my work schedule (8pm from memory) and I had mortgage product recommendations immediately.

Jake never seems to stop working and has been extremely proactive at every opportunity. **He has dealt with a house change, multiple rate changes and plenty of other problems that I've thrown his way and has made sure I get the best possible deal.** Even once a mortgage offer is received, he continues to look for better deals and will suggest them if one is available.

JH Mortgages make the process easy when buying a house. There's really no better compliment than that. Jake tells me what I need to send him and he does everything else behind the scenes. **There's no stress, no drama and he just knows exactly what he's doing.**

I'd highly recommend Jake and JH Mortgages to anyone needing a mortgage product. He has found me new deals whilst he's been on holiday and has gone above and beyond. Jake is always contactable and has been extremely professional throughout.
